# Why Plan Your Garden

- Keeps you organized
- Saves you money
- Uses your time efficiently
- Decreases stress

## HOW TO PLAN YOUR GARDEN IN 4 EASY STEPS

### STEP ONE

*Determine what you wish to get out of your garden by checking the boxes below*

- ☐ I want cut flowers to bring into my home or give away
- ☐ I want to eat / get culinary with my garden harvest
- ☐ I would like to beautify my outdoor living space
- ☐ I want to make a grand entry/ first impression on visitors
- ☐ I would like a mixture of options

### STEP TWO

- Get to know your space, and what you have to work with
- Choose the location  
*(is it your backyard, side of the house, front entry, balcony etc.)*
- Consider the number of hours of sun/shade this location gets.
- Will the plants be in the ground, planted in containers/ baskets, or in above ground plots.  
*\*we recommend container planting when working with smaller spaces*
- Measure the space and sketch your ideas below
